Special Thanks to Rodney Barbour, Marella Broxterman, Cheryl Scarborough, Chris Lacky, Gretchen Estreicher, George Tallman and his associates Mark Fouts and sons and all the participants for making this possible. Also, thanks to Northgate Mall for their cooperation.

This had never been done because everyone else thought it was impossible.

FROM KATHY'S DESK

It is still winter, but spring is not far away. We have lots of workshops coming and with "Opening Day" coming up, our annual Reds Baseball Concert with Rodney Barbour.

We lived through setting the world's record for number of organists playing organ at the same time. A logistical nightmare became a miracle concert!

A new organ company—formed by old Lowrey Organ people—is introducing all new organs. The name of the company is "Lowrey Legacy" and the organs are designed by longtime Lowrey organ designer Bil Curry.

The Christmas concerts were great and several students played in front of Macy's: Chris Lacky, Cheryl Scarborough, Auriella Hall, Wyatt Smith, Phyllis Myers, Tom Roehm and Lydia Daniel. Sadly, this will be our last year playing by Macy's. We will have to find new places to show off.

Thanks to Tom and Connie Roehm for decorating the Display Room for Christmas.

Congratulations to Harold Bryant, Deborah Carter, Auriana Hall and Abriella Wright that played for their church services.

We lost several friends this past winter: Laine Karch, Janet Ahern, Bruce Hendricks, and Dick Yeager's wife Jean.

Carol Cain and Carol Morris just keep inspiring us.

Mary Ellen Thome was honored by St. Vincent de Paul for her outstanding work.

With Sears gone and Macy's leaving, we need your help to bring us customers and new students. Perhaps we can bring a "Show and Share" to your church or community organization—maybe even to your card party at home. We just don't play background music. I am not proud, we need your help!
